Report on the Financial Statements
We have audited the accompanying financial statements of The Ford Meter Box Company, Inc. Employee Benefit Plan (the "Plan"), which comprise the statements of net assets available for benefits and of plan's benefit obligations as of December 31, 2020 and 2019, the related statements of changes in net assets available for benefits and of changes in plan's benefit obligations for the years ended December 31, 2020 and 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Plan as of December 31, 2020 and 2019, and the changes in its financial status for the years ended December 31, 2020 and 2019, in accordance with accounting principles generally accepted in the United States of America.

Other Matter - Report on Supplementary Information
Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of reporting requirements under Department of Labor's rules for the year ended December 31, 2020 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

NOTE 1 PLAN DESCRIPTION

The following description of The Ford Meter Box Company, Inc. Employee Benefit Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan provides health benefits covering substantially all employees and qualifying retired employees of The Ford Meter Box Company, Inc. (the "Employer"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Benefits

The Plan provides medical, dental, vision, and prescription drug benefits covering full-time employees of the Employer who have completed eligibility requirements and provided such benefits are not payable by any other plan or policy. In addition, the Plan provides group life and accidental death and dismemberment insurance, long-term disability insurance and business travel accident insurance under a flexible benefit plan. The Plan also covers dependents of eligible employees. Employees whose service with the Employer has been temporarily or permanently terminated may continue to receive benefits under the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA") by paying monthly premiums to the Plan. Retired employees and their spouses are entitled to health benefits provided they are between 60 and 65 years of age and meet certain plan requirements.

The Plan has acquired specific excess liability insurance that covers claims in excess of $275,000 per family. There is no lifetime maximum coverage per person.

The Plan records estimated recoveries under terms of the insurance coverage when receivable and reasonably determinable. Estimated recoveries from stop-loss carriers are reported as a separate addition to net assets rather than a net reduction of benefit claims paid. All other refunds, including subrogation refunds are reported as a net reduction of benefit claims paid. As of December 31, 2020 and 2019, the estimated amount of recoveries receivable was $21,269 and $47,064, respectively.

Contributions

An employee of the Employer can elect coverage when the employee becomes eligible under the Plan. Employee contributions are based on the employee's desired coverage. Contributions range from $10 to $123 per week before receiving any lifestyle reduction credits. Employer contributions to the Plan are made periodically as monies are needed to cover claims. Participants can also acquire supplemental life insurance for themselves and their spouses through additional contributions based on their desired level of coverage.

NOTE 2 SUMMARIES OF ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements are prepared on the accrual basis of accounting.

Cash and Cash Equivalents
Cash and cash equivalents are all highly liquid debt instruments purchased with a maturity of three months or less and include bank accounts and money market accounts.

Funding Policy
The Plan is funded through a separate trust with general assets of the Employer and authorized payroll deductions withheld from employees as well as premiums received from retired employees and employees electing coverage under COBRA. The contributions are made by the Employer and employees to cover benefit payments. The Employer's policy is to fund current medical benefits for employees and retirees as incurred and to fund reserves for accumulated postretirement benefits as allowed under Internal Revenue Code Section 419A, but will not exceed IRS limits.

Significant Accounting Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Employer to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Plan obligations at December 31 for benefit claims incurred, but not reported at that date, are estimated based on experience factors compiled by the Plan. The estimated amounts reported in the accompanying financial statements have not been discounted because it has been the Plan’s experience that substantially all claims are remitted to the Plan for processing within three months after the related health care services have been rendered.

On January 30, 2020, the World Health Organization declared the coronavirus (COVID-19) outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, and quarantines in certain areas, and forced closures of certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries. It is unknown how long these conditions will last and what the complete financial effect will be to the Plan. It is reasonably possible that the Plan is vulnerable to the risk of a near-term severe impact and that estimates made in the financial statements (including the Plan's investment valuations) have been, or will be, materially and adversely impacted in the near term as a result of these conditions.

NOTE 2 SUMMARIES OF ACCOUNTING POLICIES - continued

Income Taxes
The Internal Revenue Service has determined and informed the Company by a letter dated August 24, 1977, that the trust established under the Plan is tax-exempt under Internal Revenue Code Section 501(c)(9). The Plan has been amended since that time (most recently the Plan's Summary Plan Description was restated with an effective date of January 1, 2019) and the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable provisions of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

According to the Financial Accounting Standards Board's guidance on accounting for uncertainty in income taxes, management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Reclassifications
Certain prior year amounts have been reclassified to conform to the current year presentation.

Evaluation of Subsequent Events
The Plan has evaluated subsequent events through October 04, 2021, which is the date the financial statements were available to be issued.

NOTE 3 PLAN AMENDMENTS

Effective January 1, 2020, the Plan was amended to incorporate timeframe extensions under ERISA and the Internal Revenue Code with respect to various employee benefit plan provisions due to the COVID-19 pandemic.

The Plan was further amended effective January 1, 2020 with respect to coverage for medical travel coverage for orthopedic surgeries, specialty drugs, and coverage for testing and qualifying coronavirus preventive services for COVID-19.

NOTE 4 POSTRETIREMENT BENEFITS

The Plan provides postretirement medical benefits to retired employees and spouses who have completed ten years of service with the Employer and attained the age of 60. The benefit expires at age 65 or when the retiree obtains coverage from another source. The postretirement health care plan is contributory, with retiree contributions adjusted annually.

NOTE 4 POSTRETIREMENT BENEFITS - continued

The postretirement benefit obligation represents the amount that is to be funded by contributions from the Employer. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service with the Employer rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is the amount that results from applying actuarial assumptions to historical claims-cost data to estimated future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

For measurement purposes the weighted-average assumptions used to determine the accumulated postretirement benefit obligation are as follows:

	2020	2019
Participant group covered	Early retirees and their spouses	Early retirees and their spouses
Trend rates	9% in 2021, decreasing by 1% per year 2022 through 2024, and decreasing to 5.5% in 2025, and then 5% thereafter	9% in 2020, decreasing by 1% per year 2021 through 2023, and decreasing to 5.5% in 2024, and then 5% thereafter
Discount rates	0.65% per annum (0.50% per annum for purposes of IRC Section 419A)	2.07% per annum (1.65% per annum for purposes of IRC Section 419A)
Per capita claims cost, per individual per month	$1,159.00	$1,038.00
Contributions per month per person for retirees ages 63 - 65; or ages 60 - 62 with more than 20 years of service	$172.00	$155.00
Contributions per month per person for retirees ages 60 - 62 with less than 20 years of service	$344.00	$310.00

The foregoing assumptions are based on the presumptions that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligations.

NOTE 4 POSTRETIREMENT BENEFITS - continued

The weighted-average health care cost-trend rate assumption has a significant effect on the benefit obligations reported in the accompanying financial statements. If the assumed rates increased by one percentage point in the next year, it would increase the obligation as of December 31, 2020 and 2019 by approximately $80,664 and $68,955, respectively.

The following benefit payments, which reflect estimated future employee service, expected to be paid over the ten years subsequent to the balance sheet dates are as follows:

	Estimated at December 31, 2020		Estimated at December 31, 2019
2021	$ 464,966	2020	$ 345,187
2022	449,944	2021	363,780
2023	418,200	2022	321,953
2024	302,135	2023	252,502
2025	266,514	2024	222,282
2026 - 2030	1,112,887	2025 - 2029	1,146,500

The Employer's policy is to fund current medical benefits for employees and retirees as incurred and to fund reserves for accumulated postretirement benefits as allowed under Internal Revenue Code Section 419A.

NOTE 5 PARTIES-IN-INTEREST

There were no non-exempt transactions during the year between the Plan and any parties-in-interest as defined by the ERISA. The Employer’s personnel, at no charge to the Plan, perform basic accounting functions for the Plan. In addition, the Employer pays for certain expenses of the Plan. Management estimates these costs for the years ended December 31, 2020 and 2019 to be $386,000 and $358,000, respectively.

NOTE 6 CONCENTRATIONS OF CREDIT RISK

The Plan maintains its cash at high credit quality financial institutions. The Wells Fargo debt rating is one of the highest ratings of any financial services company and Crossroads Bank, part of the Promontory Interfinancial Network, which manages the CDAR's program is a leading provider of FDIC-insured deposit placement services. The balances, at times, may exceed federally insured limits, though to date, no losses have been incurred.
